Indian Board of Endodontics

(Under the AEGIS of Indian Endodontic Society)

Becoming a Diplomate of the Indian Board of Endodontics is the culmination of the completion of your specialty education and places you in an elite group of endodontists who demonstrates exceptional knowledge, clinical excellence and a dedication to provide the highest quality of patient care. The certification process exemplifies dedication and determination to complete the written, case history portfolio compilation and oral examination components of your board.

Join the community of Board certified Endodontists!
